

Ride the rails with us to the largest gathering of warbird aircraft in Australia.

warbirds downunder

Travel in style on board Australia's only fleet of newly restored 1960's sleeping carriages. Enjoy the spectacular Warbird display on both Friday evening and Saturday.

Saturday evening it's time to dance, with the eighteen piece Spectrum Big Band backing The Leisa Keen Trio and the Canberra Swing Katz dancers.

inclusions

- Sydney - Temora - Sydney

	\$1,487pp Advance (before 30 April)

Day 1: Sydney - Temora (Friday 12th October)

Depart Sydney Central Station early Friday morning, travelling the route our carriages took in the 1960's through the delightful Southern Highlands. Enjoy lunch in our dining carriages as we continue through the Southern Tablelands and into Capital Country around Goulburn and Yass. At Cootamundra we veer right toward Temora, which does not normally have Rail passenger access.

A shuttle bus will meet us at the Temora Railway Station for transfer to the Temora Airfield for the Airshow. Be thrilled by the sights and sounds of Warbirds including Spitfires, Mustangs, Kittyhawks, a Boomerang, jet fighters and the only remaining airworthy Hudson bomber.

A shuttle bus will return us for a good night's sleep in our private cabins.

Day 2: Temora (Saturday 13th October)

After breakfast on board we are transferred to the airfield for more thrilling Warbirds action.

In the afternoon we have plenty of time to freshen up for our lively evening after being transferred back to our train.

In the early evening we will be transferred to the Temora Town Hall where we will enjoy a three course dinner with background music from Spectrum's small jazz group.

After dinner, things really get going. Be entertained by the Leisa Keen trio, an all female vocal harmony group inspired by the Andrews Sisters and girl groups of the Warbird era. They will be backed by the eighteen piece Spectrum Big Band. Dance the night away with the Canberra Swing Katz dancers, a celebrated young troupe bringing styles from the 1920s – 1950s including Charleston and Lindy Hop to dance floors around the country.

As the band, dancers and singers wind up we will be transferred back to our train for a well earned rest.

Day 3: Temora - Sydney (Sunday 14th October)

A slow morning with breakfast and lunch on board as we journey back to Sydney Central Station and return to normal life.
